

Time	Session Topic	Speakers/ Panelists
8:30-9:30	Registration & networking	
Inaugural Session		
9:30-9:35	Welcome Address	<b>Prof. Ravindra Gudi</b> HOD, Chemical Engineering Department, IIT Bombay
9:35-9:40	Symposium Inauguration	
9:40-10:00	<b>Inaugural Address</b> Science and Engineering for Sustainable Development	<b>Mr. Bijay Sahoo</b> Group President - HR, Reliance Industries
10:00-10:40	<b>Keynote Address</b> Affordable and Sustainable Clean Water using Advanced Materials	<b>Prof. T Pradeep</b> Institute Professor, IIT Madras
10:40-11:00	<b>Theme Address</b> Sustainability of Earth and Water Resources from Ecological Perspective	<b>Prof. Bhavik Bakshi</b> Professor, Chemical & Biochemical Engineering, Ohio State University, US
11:00-11:10	Short Break	
NGO Session		
11:10-11:30	The Challenge of Creating a Sustainable Farm Community: The GEV Experience	<b>Mr. Gaurang Das</b> Director, Govardhan Eco Village (GEV)
Special Address by the Chief Guest		
11:30-12:15	Sustainable Development Challenge: The Role of Science, Engineering & Education	<b>Dr. V. K. Saraswat</b> Member, NITI Aayog
Industry Session		
12:20-12:40	The Role of Engineering Professionals in Sustainability	<b>Ms. Hetal Udas</b> Engineering Manager, Eaton India Innovation Centre
12:40-13:00	Emerging Role of Industries for the Sustainability of the Earth	<b>Dr. Mrityunjay Chaubey</b> Global Vice President Environment & Sustainability, United Phosphorus

Time	Session Topic	Speakers/ Panelists
13:00-14:00	<b>Lunch Break</b>	
<b>Special Technical Session</b>		
14:00-14:30	Sustainable Recycling of Land and Urban Wastes by Environmentally Benign Options	<b>Dr. Abhilash</b> Scientist, National Metallurgical Laboratory
14:30-15:00	Zero Discharge Technology Challenges for Attaining Sustainability in Water Recycling	<b>Dr. Uday Bhawalkar</b> Director, Bhawalkar Ecological Research Institute (BERI)
15:00-15:30	SWM in India: A Need for Convergence of Actions and Interests by Divergent Groups	<b>Dr. VVN Kishore</b> Renewable Energy Consultant
15:30-16:00	<b>Poster &amp; Networking Session and Tea-break</b>	
16:00-16:40	<b>Start-up Presentations on Sustainable Technologies</b>	
16:40-16:55	Incorporating Sustainability in Engineering Education	<b>Prof. Yogendra Shastri</b> Associate Professor, Chemical Engineering, IIT Bombay
16:55-17:15	Valedictory address	<b>Dr. Biplab Pattanaik</b> CEO & Managing Director, Techstain Technologies
* <b>Symposium Anchor- person:</b>		<b>Prof. Yogendra Shastri</b> Associate Professor, Chemical Engineering, IIT Bombay

Venue- ***Victor Menezes Convention Center, IIT Bombay***
